# PAARLVIEW

MEDICAL CENTRE

The new Paarlview Medical Centre development will offer 5 000 sqm medical suites and consulting rooms to service Paarl and the surrounding areas.

## 'One Stop' Medical Centre

Paarlview Medical Centre will offer a comprehensive, 'one-stop' medical centre with medical suites, consulting rooms and a day clinic. Services will include but are not limited to, medical, paediatrics, minor procedures, rehabilitation, assessments, treatments and consultations.

## Located within the new Paarlview Office Park development

Paarlview Medical Centre will be located in the new Paarlview Office Park & Medical Centre development, in southern Paarl - one of the fastest growing areas in South Africa.

The Paarlview Office Park & Medical Centre development is perfectly situated close to the luxurious Val de Vie Estate and will service neighbouring areas.

## Buy or rent floor space for consulting rooms and related facilities

Interested parties can buy or rent floor space for consulting rooms and related facilities. Mainreef started discussions with a range of medical practitioners, specialists and service providers, such as G.P.'s, radiologists, pathologists, audiologists, ENT specialists, dermatologists, child development experts, physical therapists, speech therapists, suppliers of health and medical products, and other medical service providers.

Paarlview Medical Centre from the front

Located in a high growth area, with easy access to the N1 and next to the R45, connecting the Val de Vie, Franschhoek and Stellenbosch route.

Paarlview Medical Centre from the back

Mainreef focuses on property investments and developments and provides related property services to investors, businesses, institutions, and private clients. The Mainreef group operations include Mauritius, South Africa, Botswana and Zambia, as well as a network of business associates in Germany, the UK and the rest of Africa.
